

Although its origins are difficult to determine, this tune is often played and has been adapted to many different styles. One thing for sure is that *Cripple Creek* is an old tune named after a stream located someplace between Georgia and Oregon! Adding a flatted seventh in a solo with many fast-moving notes gives the tune a hard-driving bluegrass sound.

# Cripple Creek

SOLO KEY

Musical notation for the first line of the solo, starting with a double bar line and repeat sign. Chords D, G, D, A, and D are indicated above the staff.

Musical notation for the second line of the solo, starting with a measure number 5 in a box. Chords D, G, D, A, and D are indicated above the staff.
