Please stay for the entire concert. Students will sit with their teachers in reserved seats before and after they perform and will be dismissed after the final ensemble. Parents, we realize you are there to support your child, but all students deserve the benefit of a full audience, so please plan to stay for the entire concert.

This is a ticketed event – tickets are required to enter. Concerts are the only fundraising activities Ethos participates in – we don't sell discount cards, wrapping paper, etc. Tickets are \$10 for adults and \$5 for students (anyone 18 and under or anyone enrolled in any academic institution). **Please purchase your tickets online before you come to the concert.** This eliminates waiting in line to purchase tickets and makes everything easier for our volunteers working the box office. You can purchase your tickets at EthosMusic.net (click the "Tickets" tab on top) with credit card or on the morning of the concert starting at 9:30am at the box office with cash, check, or credit. Tickets are reserved seating, so it's in your best interest to **purchase tickets online now** to ensure your party can sit together and in the best-available seats. Thank you for your support of our Ethos students!

Special Note: Students should arrive dressed and be fed before they arrive.
